The new supermarket stocks a wide range of products from leading manufacturer brands, own-brand lines and local producers across its 112 square metres of sales floor. The values that set EROSKI apart are successfully passed on across the network, backed by a solid marketing plan for EROSKI franchises.

Collaboration agreements

The cooperative maintains its collaboration agreement with the [Confederación Española de Asociaciones de Jóvenes Empresarios](#) (CEAJE), the Spanish confederation of young entrepreneurs' associations, to support and promote entrepreneurship among young business owners and the self-employed.
